Counting on stage

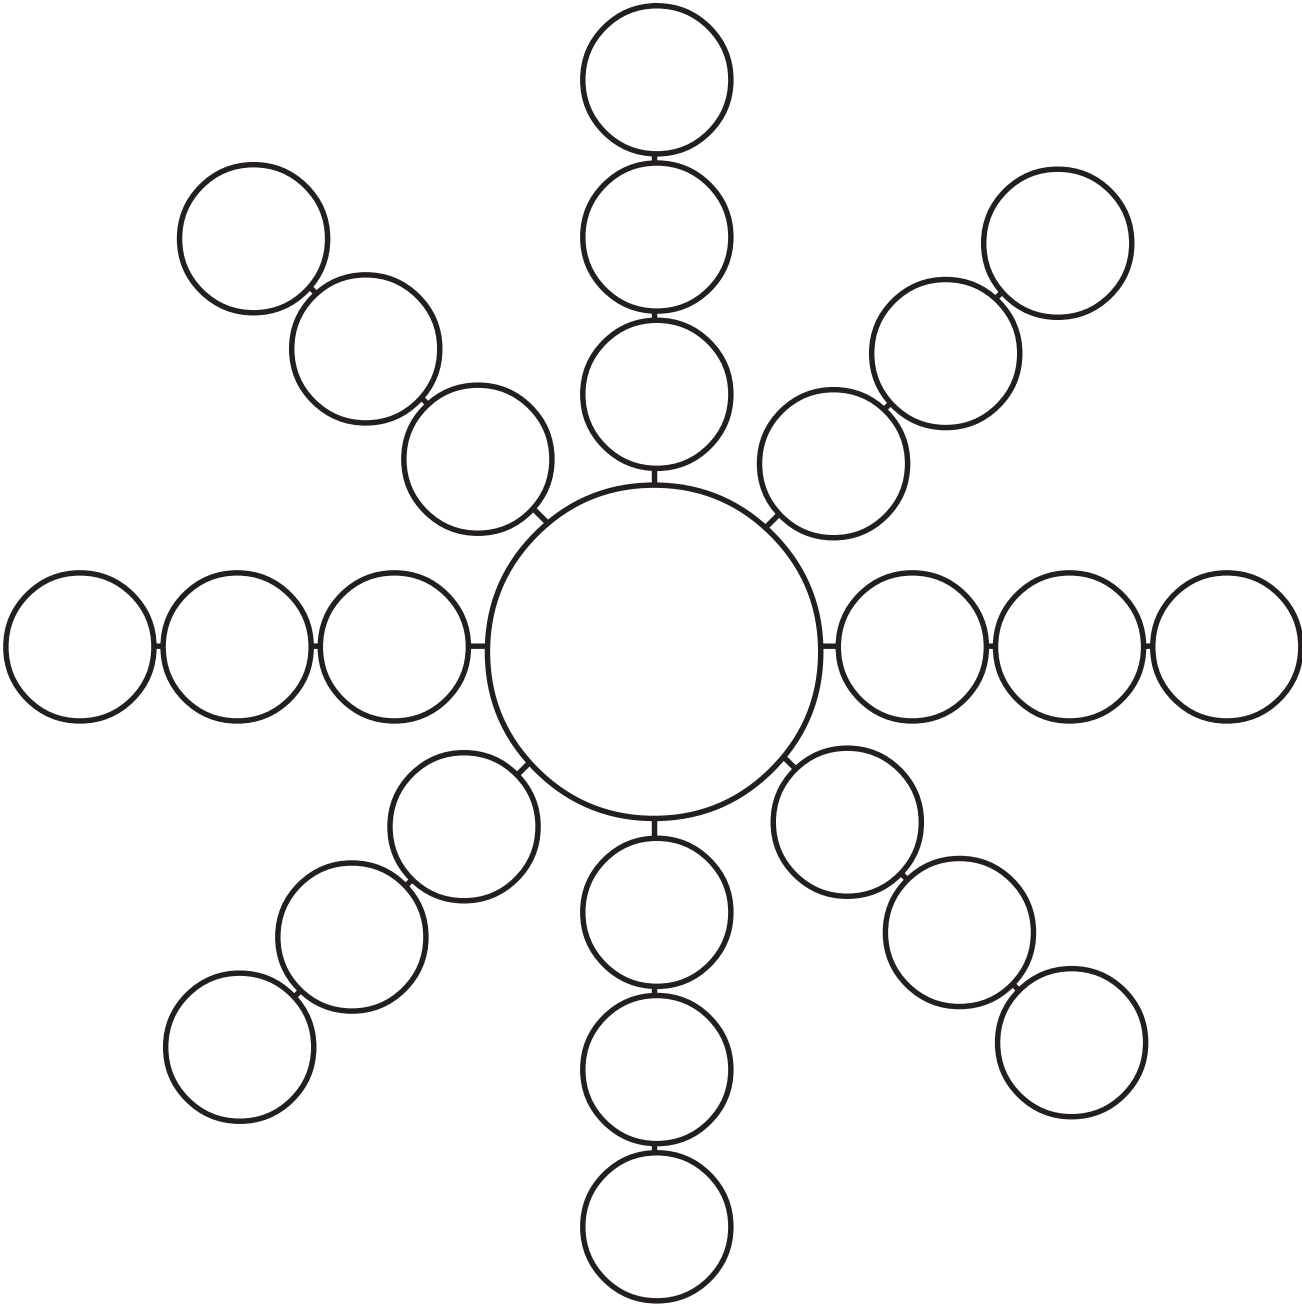

Bees

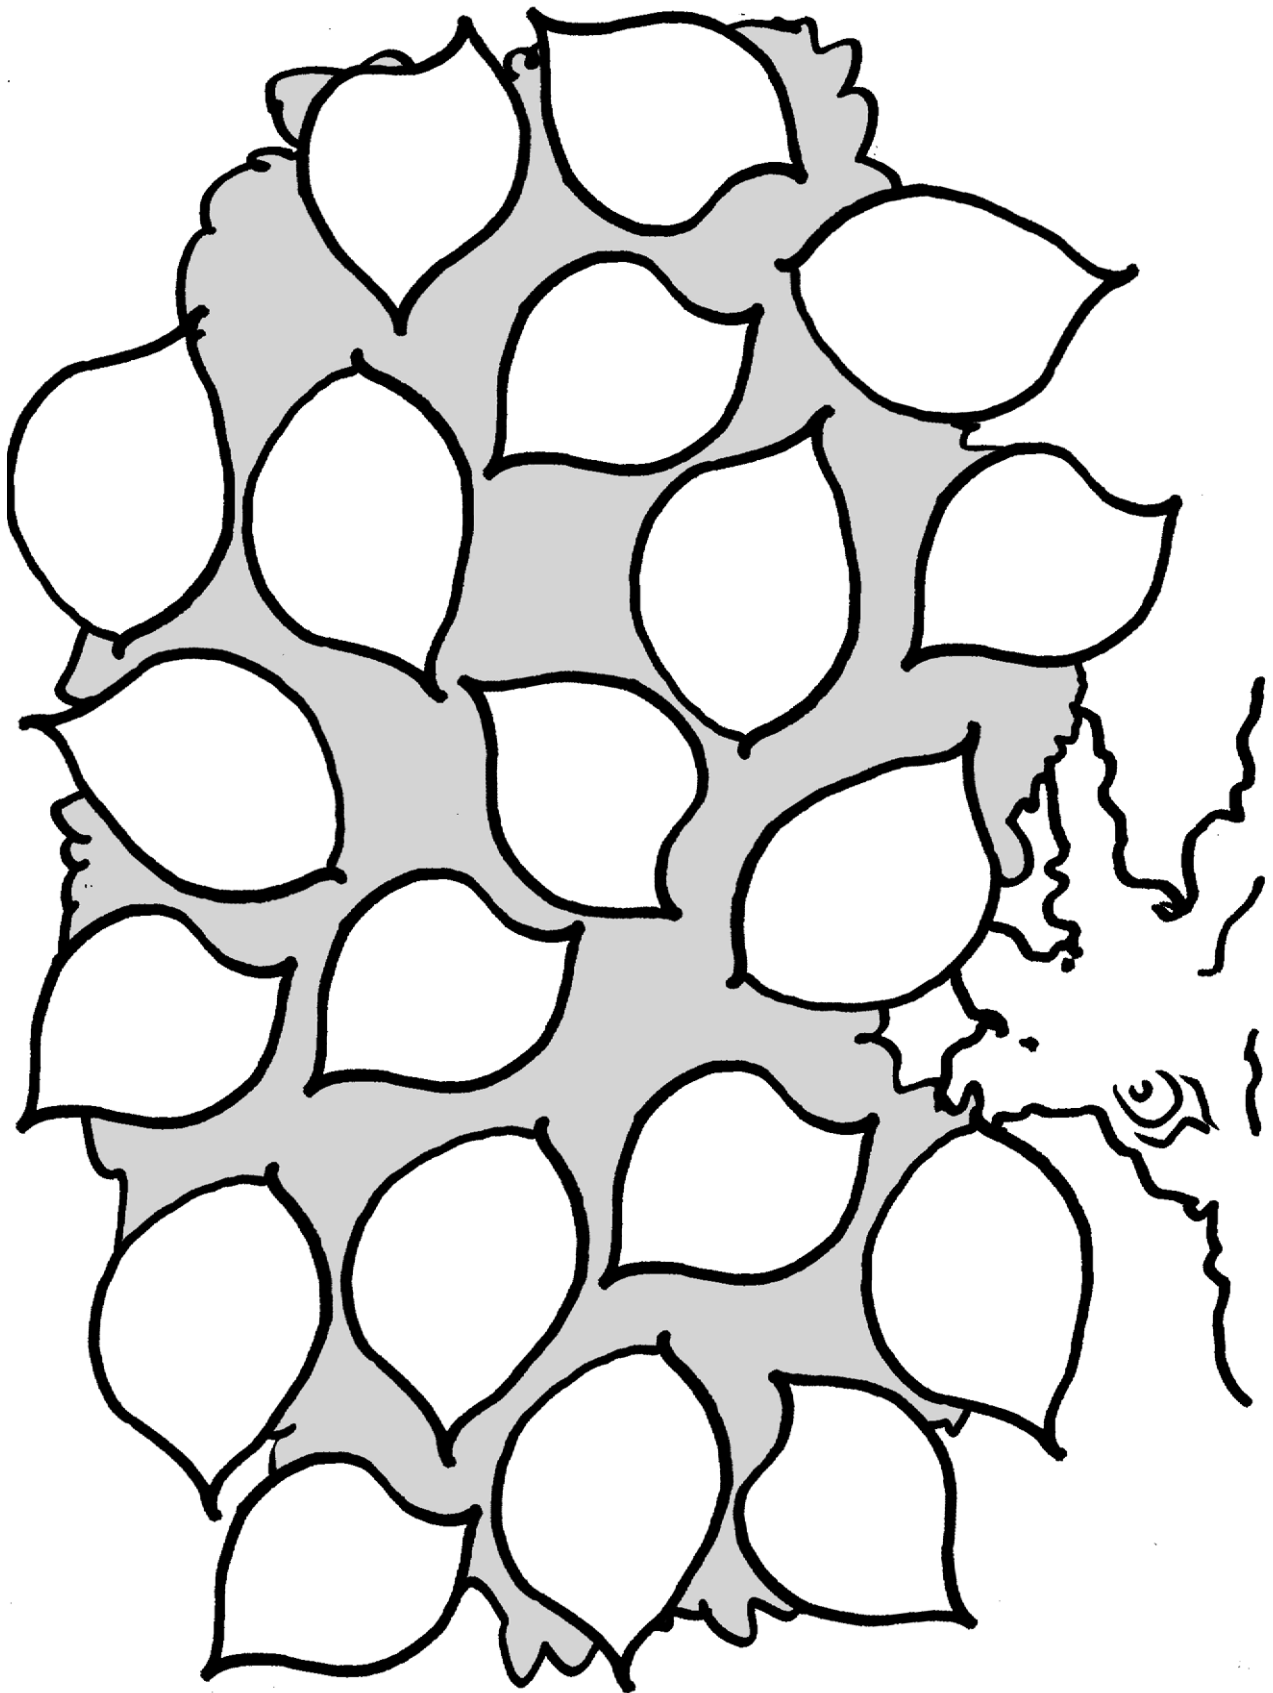

A grid of numbers in circles for a counting on activity. The numbers are arranged in three rows and three columns. The top row contains 13, 16, 14, 12, 18, 20. The middle row contains 12, 18, 13, 14, 14, 19. The bottom row contains 20, 11, 14, 16, 12, 19. The numbers are connected by dashed lines. There are two illustrations: a cake with 'AA' on top in the middle of the grid, and a person swimming in the top right corner.
